

The Food Co.

Fees & Charges

Different events require different levels of service. There is a vast difference in labour required delivering plated cold canapés compared to setting up a field kitchen in a marquee. Detailed below are the service and equipment charges.

Style of event		Description of kit required and service provided	Cover charge per person

Canapés	cold	Platters of food	£0.50 per person
	hot	Platters of food & table top ovens & fryers	£0.75 per person
Lunches & fork food	cold	Plates, cutlery, platters of food & setting up buffet	£1.00 per person
	hot	Plates, cutlery, platters of food, chaffing dishes, setting up buffet, breakdown and collection	£1.00 per person
BBQs		Plates, cutlery, platters of food, chaffing dishes, setting up buffet/tables, breakdown and collection	£1.00 per person

Marquee Events		Cutlery, crockery, glassware, laying tables, setting up a field kitchen, breakdown and collection	£1.50 per person

There are situations where access is not simple and straightforward and requires either extra labour or time, this will be established at a site visit (for large events) and will be subject to an increased cover charge per person. This includes Castle Cornet where extra labour and time is required to setup/breakdown an event.
