Outside Catering

Corkage Charge

We prefer to serve our own wine & champagne from our current selection. However if you would like to choose to bring your own wine, the following charges will apply:

Wine per bottle: £8.00 per bottle

Sparkling & Champagne: £10.00 per bottle

Corkage is a service charge and covers the following:

Appropriate pre event & event storage (including chilling); Transport to & from the event (if appropriate)

Free use of our refrigerated trailer

Washing up all glassware; Responsible disposing of glass & cardboard

Returning bottles not consumed to your supplier

Wine is of course cheaper in a supermarket or bought from a wholesaler.

The difference is: we allow you the option of sale & return.

Our guarantee

Whether you source the wine through ourselves or use our corkage service you will have the peace of mind that we will organise this professionally and efficiently.
